On February 25, 2013 a Public Meeting was held at Doyline High School, Doyline, LA to discuss the on-going response at EXPLO Systems, Camp Minden, LA. Representative Gene Reynolds emceed the meeting with presentations by LSP, Webster Parish Sheriff, and LANG. Representatives from GOSEP, and the LA State Senate were also in attendance. A special meeting of the LA State Homeland Security Committee on Thursday, February 28 at 10:30 am in Baton Rouge will discuss the situation at EXPLO Systems and was mentioned several times. Approximately 100 residents were in attendance and the primary concerns were for on-going public safety, risk of explosion, and what steps were being taken to prevent similar situations. LSP mentioned EPA involvement (along with other agencies) and was grateful for on-going efforts.
